

Quick Guide

DStv
Explora

DStv Explora Features

- Full Personal Video Recorder (PVR) functionality
- Content discovery (including multiple searches)
- Up to 220 hours of personal recorded content
- Pause Live TV for up to 2 hours
- Buffer retained on channel change
- View 1, Record 1
- Series Recording
- Parental Control
- BoxOffice
- DStv Catch Up
- HD capable (720p and 1080i)
- Dolby Digital 5.1 capable
- XtraView capable (compatible with all other XtraView decoders)
- Widescreen capable
- Hearing Impaired Subtitles capable (when available)
- HD User Interface

Please Note

- Use of the PVR functionality and/or XtraView requires payment of an additional monthly fee stipulated by MultiChoice from time to time.
- There is no DStv Catch Up or BoxOffice content when the DStv Explora is first installed. This content will start downloading as soon as installation is complete. Please be patient while we download the latest movies, series and more to your DStv Explora.
- HD channels, BoxOffice and DStv Catch Up are only available in selected countries on selected packages.

Welcome to our world of extraordinary entertainment!

Congratulations on the purchase of your new DStv Explora!

The moment you connect your DStv Explora, that's the moment your TV viewing experience will change forever. This is extraordinary entertainment at the touch of a button.

Here's to more recording space – with the DStv Explora, you can now record up to 220 hours of some of the world's top programming. So much more to choose from.

Experience more. With increased recording space and more BoxOffice and DStv Catch Up titles, you'll never be lost for something to watch.

Discover more. The DStv Explora introduces new search features, making it easy for you to discover even more great entertainment.

Add more. If you have an existing XtraView capable decoder, you can easily link your new DStv Explora and get so much more.

So much more. With all these features and benefits, we guarantee that your viewing experience will always be filled with so much more.

Get started by using this Quick Guide to familiarise yourself with the functions and features your new DStv Explora has to offer.

Finally, go to www.dstv.com for news about the latest shows, competitions as well as installation and user guides. And if you want to check your account balance, activate more services or update your details, then register online to manage your account.

An extraordinary world of entertainment awaits ...

Getting Connected

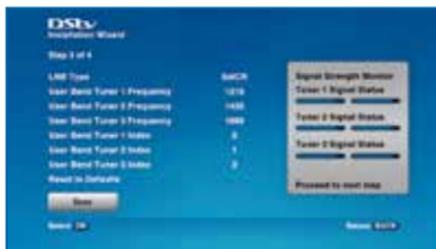

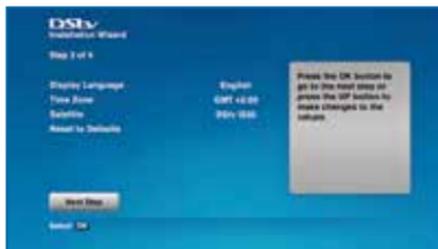

- We recommend the use of a DStv Accredited Installer for all installations.
- To find your local installer, visit www.dstv.com or SMS your suburb to 32445 (SMS costs R1).
- For additional installation information, please visit www.dstv.com

Quick Notes

1. The DStv Explora comes packaged with a DStv Switch and basic cabling that allows connection to most existing PVR installations. Please refer to the DStv Switch User Guide for more information.
2. The DStv Explora is XtraView capable and can be linked with any other XtraView capable decoder.
3. If you already have XtraView and are replacing one of the decoders with the DStv Explora, you must FIRST contact MultiChoice to break the link between the existing XtraView decoders BEFORE disconnecting the cable that links them.
4. The DStv Explora has an Installation Wizard to guide you through the first time set-up.

Getting Connected

Please wait for all three tuners to show signal on this screen, before pressing **OK** to continue.

- Remember, you will need to contact your nearest MultiChoice Call Centre to activate your new DStv Explora.
- There is no DStv Catch Up or BoxOffice content when the DStv Explora is first installed. This content will start downloading as soon as installation is complete. Please be patient while we download the latest movies, series and more to your Explora.

Quick Tip

Read through our helpful Quick Guide for the remote (also packaged with the DStv Explora) to quickly learn about the different buttons and what they do.

Getting Started

Your DStv Explora has all the features you're familiar with, and so much more.

This Quick Guide will help you find your way around the main features of your DStv Explora and get you viewing in no time.

Five important things you need to know when using your new DStv Explora :

- 1 The DStv Explora has **ONE central menu** with all content & settings. Press the **DStv** button to go straight to DStv Central. (See the DStv Explora Map for more info)
- 2 When looking for something to watch, use the **hotlink buttons** on your remote to go directly to **BoxOffice**, **DStv Catch Up**, your **Playlist**, the **TV Guide** or **Search**. It's that easy to find something to watch right now!
- 3 Now that there's so much more content, **BoxOffice**, **DStv Catch Up** and the **Playlist** include **folders** allowing you to easily find what you're looking for. View ALL the content, or only the latest that's been added, or only the movies, or only the series (and more). When checking schedules, you can see them ALL, or limit your view to just the reminders or one of the other options listed. We've made it so much easier for you to find something!
- 4 Press **OK** on any programme name to see the list of available **actions**. These range from being able to schedule recordings, set reminders and even getting a list of when a programme will be aired again over the next 8 days.
- 5 To change viewing options (like language and aspect ratio), press **OPTIONS**. Pressing this same button when viewing a list, lets you change the sort order or how the information is displayed.

The full DStv Explora Manual covers features in more detail and can be downloaded from www.dstv.com

Watch Now

Everything that you can watch, right now – all in one place! Catch up on your favourite series, rent a movie, watch something you've recorded, tune to Live TV or listen to the wide range of audio channels on offer. Remember, you can also go directly to **BoxOffice**, **DStv Catch Up** or your **Playlist** using the hotlink buttons on your remote.

Search

Explore our world of entertainment using one of the search options available. You can also go directly to **Search** using the hotlink button on your remote.

Planner

Everything you need to do your planning – all in one place! Check your schedules, manage your series recordings or look through the TV Guide. Remember, you can also go directly to the **TV Guide** using the hotlink button on your remote.

Apps

- News24
- Weather24
- SuperSport Active

Settings

- User Preferences
- Parental Control
- System Settings
- Satellite Settings

Help

- Contact Us
- Mail Messages
- General Information

Apps

Your one stop access to all the interactive services available on your DStv Explora.

Press **OK** while watching TV for quick access to the list of available apps.

Settings

This section of the menu includes all settings that you can personalise, together with Parental Control, Satellite Settings and more.

Help

Here you can find our contact details, your mail messages as well as Information Central (which you need when contacting our call centre).

Personalising your DStv Explora

We recommend that you personalise the settings on your new DStv Explora to have the best possible viewing experience.

Press the **DStv** button and go to "User Preferences" in "Settings" to set your preferences for default language, aspect ratio, recording defaults and more.

BoxOffice

Rent blockbuster movies from the comfort of your home with BoxOffice, and keep them for 48 hours. With a selection of the hottest movies available to rent and watch instantly on your DStv Explora, there's never been a better time to plan a big night in.

Press the **BOXOFFICE**  button to go directly to the selection of available movies.

Note: BoxOffice is only available in selected countries on selected packages.

Visit www.dstv.com/boxoffice for more information and for other great ways to enjoy the freshest movies.

PVR | Web

There are no BoxOffice movies listed when the DStv Explora is first installed. The movies will start downloading as soon as installation is complete. Please be patient while we download these to your DStv Explora.

DStv Catch Up

With DStv Catch Up, you have access to hours of movies, series, documentaries, kids' shows and sporting highlights right on your DStv Explora.

Catch up on a selection of the week's most popular shows, or settle in and enjoy up to two weeks' worth of episodes for selected series*. It's TV on your terms. Press the **CATCH UP**  button for quick access to all the latest programming we've recorded for you.

Note: DStv Catch Up is only available in selected countries on selected packages.

Visit www.dstv.com/catchup for more information and for other great ways to enjoy the best of DStv Catch Up.

PVR | Web | Tablet

* Where series stacking rights have been acquired.

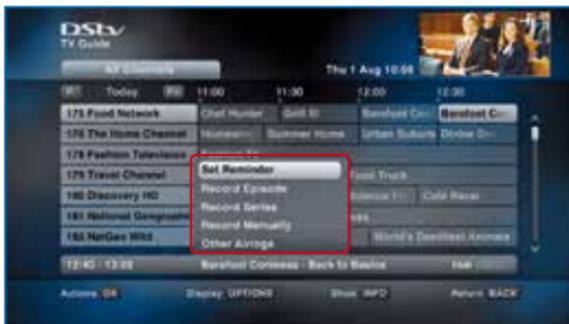

There are no DStv Catch Up titles listed when the DStv Explora is first installed. These will start downloading as soon as installation is complete. Please be patient while we download the latest movies, series and more to your DStv Explora.

The TV Guide

The TV Guide lists 8 full days of programming information, allowing you to easily plan your viewing.

Press the **TV GUIDE**  button for quick access to our programme schedules.

Press **OK** on any programme to see the available actions. You can set reminders, schedule recordings and find out when the programme will be aired again over the next 8 days.

Quick Tips

- Press **OPTIONS** to change the way the schedules are displayed.
- Press **P+ / P-** to jump 24 hours at a time.

The TV Guide

A great feature of the DStv Explora is being able to find out when a programme is on again within the next 8 days.

If you see a programme that you missed (or that clashes with something else you're already recording), press **OK** on the programme and select Other Airings to see when the programme is on again in the next 8 days.

You can then schedule a recording on one of these alternatives to ensure that you don't miss out on your favourite programme.

Search

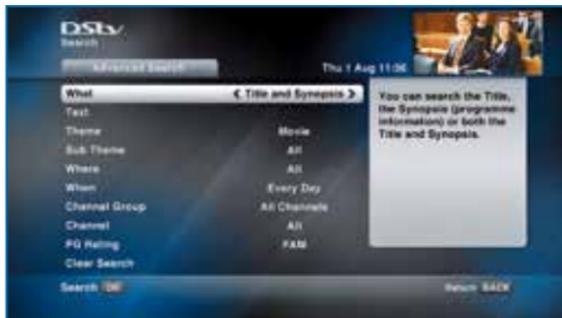

Would you like to find a movie for the kids to watch, or find that new series you've heard so much about? Our DStv Explora Search options will find these for you.

Press the **SEARCH**  button to explore our content.

If you're looking for a kids' movie, select "Movies A-Z" and scroll through the categories to find something suitable.

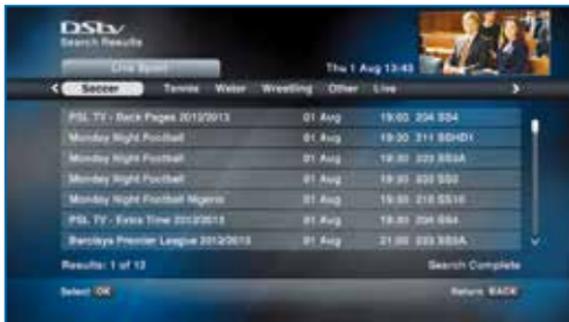

Or use Advanced Search – select Movies as your theme and select a PG rating. We'll list all the movies that meet your PG requirements. It's that easy!

Search

If you're looking for that new series you've heard so much about, use the DStv Explora's Word Search. Enter the full or partial title and we'll find it for you. It's that easy!

You can also find specific sporting events. Want to know what time that big soccer match kicks off later today? Select "Live Sports 24 Hours" and scroll left or right to Soccer to see the start time. It's that easy!

Watching TV

To see the title of the programme you're watching, press **i**. For additional information about the programme, press **i** again.

Watching TV

Press **OK** on any programme to see the available actions.

You can also press the **UP** arrow when the i-Plate is displayed to see the content in the buffer (the DStv Explora keeps the last 2 hours of viewing so that you can rewind at any time.)

i Quick Tip

Arrow **DOWN** to see programming info for a full 24 hours on any channel.

Watching TV

To see what's on other channels, press **GRID** and use the arrows to move the highlight. You can also press **OK** to tune to a selected channel.

To change the aspect ratio, select another language or to display subtitles, press **OPTIONS**.

Quick Tip

To change aspect ratio on the fly, press **ARC**.

Listening to Audio Channels

DStv offers a wide range of audio channels. It's now easy to access and listen to your favourite radio station or DMX channel.

- When watching TV, enter the number of the audio channel on the remote, or
- Press **GRID**, find the audio channel you want to go to and press **OK**, or
- Press the **DStv** button, select "Watch Now", go to "Audio Channels" and press **OK**

To quickly return to live TV, press the **TV** button.

Trickmodes

Need to answer the phone, but don't want to miss a thing? Press **PLAY/PAUSE** and the DStv Explora will wait for you to come back. You can pause live TV for up to 2 hours!

To resume viewing, just press **PLAY/PAUSE** again.

To fast forward, press **FF** once to fast forward slowly, and again (up to three times) to fast forward at the maximum speed. Press **PLAY/PAUSE** to resume viewing.

To rewind, press **REW** once to rewind slowly, and again (up to three times) to rewind at the maximum speed. Press **PLAY/PAUSE** to resume viewing.

And if you want to watch that unbelievable goal again or catch what the villain just said, press **REPLAY** to jump back 10 seconds. Each time you press **REPLAY**, the video jumps back another 10 seconds.

Now that you've seen the goal, you'll want to watch it in slow motion - press and hold the **PLAY/PAUSE** button to activate Slow Motion. Then press **FF** or **REW** to view the video in slow motion at various speeds.

i Quick Tip

You can also use the Status Bar to "jump" through content. When watching any programme, press **STATUS BAR**. Use **FF** or **REW** to quickly move through the content, or use the **LEFT/RIGHT** arrows to jump to the bookmarks.

Recordings

The DStv Explora allows you to record up to 220 hours of your favourite programming, ensuring that you always have something to watch.

- Step 1** Press **OK** on any programme to see the recording options available. If the programme is part of a series, you can record just the episode, or the entire season of the series.

- Step 2** After scheduling a recording, the programme is marked as a scheduled recording and listed in "Schedules" in "Planner".

Recordings

- Step 3** You can edit or delete the scheduled recording at any time.
- Step 4** When the programme has recorded, it will be listed in your “Playlist” in “Watch Now”. (If for any reason the programme failed to record, it will be listed in “Failed Recordings” in your “Schedules”).
- Step 5** The programme is now ready for viewing!

You can also create manual recordings. Example: You want to record the first 10 minutes of the news each morning so that you can quickly catch up on news headlines. Select “Create Manual Recordings” from “Planner” and schedule the recording as required. Manual Recordings can be scheduled once off, daily, weekly or just on weekdays. You can also set manual recordings from the Actions list (when you press **OK** on any programme).

Quick Tip

Set up your Recording preferences in “User Preferences” in “Settings”.

Series Recordings

The DStv Explora offers series recording on selected programming. Look out for this icon  which indicates that series recording is available.

Step 1 Press **OK** on the programme with the series icon and select Record Series.

Step 2 Any new episodes within the next 8 days will be marked as scheduled recordings and listed in "Schedules" in "Planner". The series will also be listed in "Series Manager" in "Planner".

Series Recordings

Step 3 You can edit or delete the series recording at any time. You can also prioritise your series, so that your DStv Explora knows which is more important to you in the event of a conflict.

Step 4 When the programme has recorded, it will be listed in your “Playlist” in “Watch Now”. (If the programme failed to record, it will be listed in “Failed Recordings” in your “Schedules”).

Step 5 The programme is now ready for viewing!

i Quick Tips

- You will need to delete the series from the Series Manager once the season has come to an end.
- If a series is always on at the same time, but does not have series recording available - you can use Manual Recordings to set a recurring recording.

The Playlist

The DStv Explora allows you to record up to 220 hours of your favourite programming and your Playlist is where you will find all the programmes you've recorded. You get to choose what you want to watch, when you want to watch it. (We've also sorted your recordings based on the content, making it easier for you to find what you're looking for.)

Press the **PLAYLIST**  button to go directly to your list of recordings.

Select a programme and press **OK** to see the available options.

Quick Tips

- Press **OPTIONS** to change the order of the programmes in the Playlist.
- You can "jump" to the schedules by pressing **ALT** at any time.
- You can lock your recordings to prevent them being accidentally deleted. Press **OK** and select Lock.
- Set up your recording preferences in "User Preferences" in "Settings".

Apps

Would you like to know the latest sports scores? Or see news updates and the latest weather forecasts?

Press **OK** while watching TV and make your selection from the available Apps.

Parental Control

The DStv Explora has a Parental Control feature which allows you to block programming based on the PG rating. This feature also allows you to block entire channels. Viewing is then only available once a valid PG PIN has been entered.

The default PG PIN is 1234. If you block the PG PIN, please contact your closest call centre and ask them to reset it.

You can also block BoxOffice movies from being charged to your account.

To make use of this feature, go to "Parental Control" in "Settings".

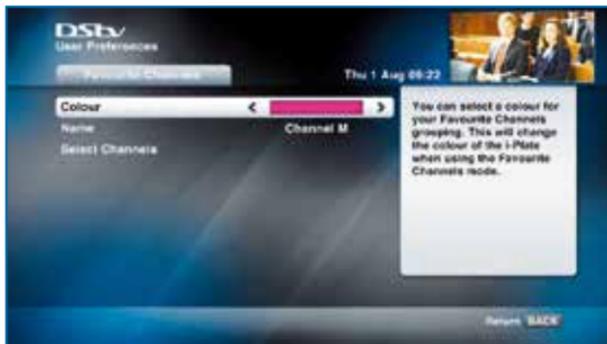

All programming carries a PG rating and includes SNVL notification (an indicator of programming content – **S**ex, **N**udity, **V**iolence, **L**anguage).

Favourite Channels

You can set up your Favourite Channels on the DStv Explora so that when watching TV or using the TV Guide, you only see the selected channels.

You can name your Favourite Channels (like “Mom’s Channels”, “Dad’s Stuff” or “Kidzone”, etc) and we even let you select a colour for the i-Plate when you’re watching your Favourite Channels.

Press the **DStv** button and go to “User Preferences” in “Settings”. Then select “Favourite Channels”.

Quick Tip

When watching TV, press **OPTIONS** to change the channel group from My DStv Channels to Favourite Channels.

All about Icons

- Live TV**  Shows which programme is currently live.
- Audio Channel**  Indicates an audio channel.
- Buffer**  Only seen on the i-Plate. This shows which programmes are in the buffer and available for viewing.
- Mail Message**  This displays on the front panel of your DStv Explora when you have mail from DStv. Press the **DStv** button and go to "Help" to read your mail.
- High Definition** **HD** Programme is in High Definition. This icon is displayed with the programme synopsis. Press **i** on any programme to see this additional information.
- Widescreen** **WS** Programme is in widescreen (16:9). This icon is displayed with the programme synopsis. Press **i** on any programme to see this additional information.
- Dolby**  Programme has a Dolby soundtrack. This icon is displayed with the programme synopsis. Press **i** on any programme to see this additional information.
- Subtitles**  Programme has Subtitles available. This icon is displayed with the programme synopsis. Press **i** on any programme to see this additional information.
Quick tip: You can select to automatically display subtitles. See "User Preferences" in "Settings".

All about Icons

SNVL 

This information is displayed for all programmes and is an indicator of programming content (**S**ex, **N**udity, **V**iolence, **L**anguage).

PG Block 

Content is blocked due to Parental Control settings. A valid PG PIN is required to watch this content.

Reminder 

You can set a reminder for any future programme (select the programme, press **OK** and “Set Reminder”). This icon will then display with the programme information. To see all reminders – press the **DStv** button and go to “Schedules” in “Planner”.

Scheduled Recording (Single) 

You can schedule a single recording of any programme. Select the programme, press **OK** and “Record Episode” or “Record Programme”. This icon will then display with the programme information. To see all scheduled recordings – press the **DStv** button and go to “Schedules” in “Planner”.

Series Link 

This programme is part of a series and has series recording available. Select the programme, press **OK** and “Record Series”. To see all series recordings - press the **DStv** button and go “Series Manager” in “Planner”.

Booked Series 

This programme is part of a series that you have already set a series recording for.

All about Icons

Scheduled Recording (Series) 

This programme is part of a series and this episode is scheduled to record as part of your series recording.

Recording in Progress 

Indicates a recording in progress. You can stop a recording in progress at any time by pressing the **STOP** button on the remote.

Conflict 

You have scheduled recordings which are in conflict. Press the **DStv** button and go to "Schedules" in the "Planner" to resolve the conflict.

Playback 

This icon indicates playback of recorded content.

Playback Recording in Progress 

This icon indicates playback of a recording which is still in progress.

Viewed Content 

This icon indicates that you have partially or fully viewed the content.

Alert! 

This icon will only be seen in your Playlist and indicates an incomplete recording.

Failed Recording 

This indicates a failed recording. To see all failed recordings, press the **DStv** button and go to "Schedules" in "Planner".

All about Icons

This content has been locked to prevent it from accidentally being deleted.

This icon is only used in the TV Guide, and only when we don't have space to show you the programme title. Press **i** to see programme information.

This displays on the top right of your screen when you have a recording in progress. It includes the channel that is being recorded as well as the time remaining on the recording. Remember, you can press **STOP** at any time to stop a recording in progress.

Indicates use of FF and the current FF speed, as well as your position in the content being viewed.

Indicates use of REW and the current REW speed, as well as your position in the content being viewed.
